Winter sports are fun, but accidents and injuries can happen. Helmets can protect against some injuries but not all.

I, USER, OR USER'S PARENT/GUARDIAN IF USER IS A MINOR, understand that no helmet can protect the wearer against all

foreseeable impacts to the head, that skiing and snowboarding can expose the user to forces which exceed the limits of protection offered by the helmet, and that the helmet does not guard against injury to the neck, spine or other parts of the body. These limitations are inherent risks to my chosen activity. I assume all **RISKS OF DEATH AND INJURY** to any part of the users body while using the helmet, including any which may result from the use of the helmet.

User, or user's parent guardian if user is a minor, agrees, to the fullest extent of the law, to **FOREVER RELEASE and agree not to sue China Peak Mountain Resort LLC (hereafter CPMR)**, as well as the **helmet manufacturers and distributors**, and I agree to **INDEMNIFY** them and **HOLD THEM HARMLESS** for any and all responsibility or legal liability for any injuries, damages or death to any user of the helmet, whether or not such injuries or damages were caused by the **NEGLIGENCE OF CPMR**. I agree to defend and indemnify them if any claim or action is pursued for any injuries, damages, or death relating to skiing, snowboarding or related activities

I understand that the helmet must fit properly in order to maximize its performance and that it must be used only by the user to whom it was fitted. I acknowledge that **CPMR** is an authorized dealer for this helmet, and that the user has been properly fitted by **CPMR**. I have been given instruction on the use and function of the helmet.

I understand that if the helmet is damaged or involved in any kind of accident, I will immediately return it to the shop and report the accident or damage to the shop.
